***Clintwood
High
School***

Throughout our lives, we are constantly faced with pressures, aims, challenges and goals. At Clintwood High School, we have endeavored to offer you a variety of opportunities - classwork, sports, band, chorus, the paper and many other activities - to enable you to develop your abilities and talents. In this way our aim has been to help you discover yourself and how best to reach your particular goals and meet challenges. On behalf of the administration and faculty, I wish you the best.
